Q11 Policy TS3 - Do you consider this part of the document to be sound, based on the following issues: **Positively prepared**

Q12 Do you consider that your comment for Policy TS3 is a representation of: **Support**

Q13 Please set out what change(s) you would consider necessary to make policy legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

The site on the A49 gives good accessibility but will be noisy. I'm sure there would be a need for further temporary stopping sites in the south of the county.

Q14 How do you wish your representation on this issue to be dealt with at the examination hearing?(Please note: The Inspector will determine the most appropriate procedure to adopt, to hear those who have indicated that they wish to participate at the hearing part of the examination.) **Written representation**

**Written
representation**

Q35 Are there any other comments you wish to make with regard to the Travellers' Sites document?

All these positive changes to increase the number of sites will obviously cost. Could the cost of the toilet/ utility room building be reduced buy buying a standard off the shelf building. This could be constructed in a factory and placed on to a prepared site and connected. This reduction in unit costs would mean more sites could be opened per year.
