If you have not ticked any of the above, please give your reasons with regard to tests of soundness.:

I Charlotte Butler think they should make more plots on Romany Close because people like myself who have lived in Hereford all my life who is in desperate need because of people with children. I strongly think that they should spend the money on making plots on Romany Close because there are 2 good places the picnic area and the office. Then spending the money on transit pictures in Leominster and I also think if they are considering on making more pitches people that has lived in Hereford all there life should be more considered than outsiders and more for people who have got kids who have lived in Hereford all there life.
