**Q15** Policy TS4 - Do you consider this part of the document to be sound, based on the following issues:

I propose that the xtra pitch that is being planned to be made at Romany Close is not enough the area where they plan to make it is good. The time people have been waiting there should be more made. I stress that there isn't much room at Romany Close for extra pitches but there is people desperately waiting for the pitches. I would also like to know the permanent start and end of when the pitch gets made. Also two pitches being made at Watery Lane should be for people who don't have pitches that are homeless not for residents on there. Also once the pitches gets made could they just get on and make them as we are depserate. And at the moment my concern is extra pitches being made at Romany Close and Watery Lane. Full stop there is not enough pitches being made. I think there should be more sites put in Hereford then family wouldn't move further afield. (COMMENT REDACTED) I don't think the pitches are enough. We got family living in Brecon who have had more plots been made for there family who have kids all in 1-2 years.
