The Hereford Enterprise Zone recognises the need identified within Herefordshire to provide additional space for the travelling community and we have no objection in principle to the proposed addition of two new pitches to the Orchard Caravan Park on Watery Lane. We would reiterate comments submitted in the initial consultation in 2016 on the need to involve the Enterprise Zone in a joined up approach regarding the new access into the extension site and would again emphasise the vital importance of this as to not compromise the future viability of, and ability to gain access to, the Enterprise Zone employment site to the south in any way.

Q35 Are there any other comments you wish to make with regard to the Travellers' Sites document?

We have provided general comments on Policy TS5, Orchard Caravan Park on Watery Lane from a development and operational standpoint with the extension site being within the Enterprise Zone boundary. These comments are made from purely a Hereford Enterprise Zone perspective. We have declined to provide comments on the soundness of this policy or the other policies referenced in this consultation.
