Dear Angela,

Re: Travellers' Site Development Plan

Chairman and Committee have asked me to advise you that they were very pleased with the way Showmen had been included in the consultation that Herefordshire conducted for travellers. The fact that Showmen's needs were included and that you understood the needs of Showmen as they travel for work with their equipment and needs for Showmen sites is different to other travellers'. The courtesy shown to our members was very much appreciated.

Although disappointed that no sites were deemed suitable for Showmen we hope that Showmen's sites already in existence could be put to better use in the future, and as extended families outgrow existing sites there could be more flexibility in utilizing existing sites and planning for additional sites will be forthcoming in the future.

Yours sincerely,

Stephanie Jenkins

Hi Stephanie,

It was good to chat to you recently. I was just wondering if you were in a position to send in a brief statement in relation to the Travellers' Sites Development Plan as we discussed. This would be helpful in progressing the plan towards submission to the Planning Inspectorate and whilst it cannot be counted as a formal representation it will be presented to the Planning Inspector as additional information.

Many thanks

Angela
