

Section 3: Neighbourhood Development Plans

Neighbourhood Planning in Herefordshire

- 3.1 The Localism Act 2011 has introduced a new tier of plan-making opportunities for parish councils who will be able to prepare Neighbourhood Development Plans, Neighbourhood Development Orders and Community Right to Build Orders. Within Herefordshire only town and parish councils are the responsible bodies for producing Neighbourhood Development Plans.
- 3.2 Herefordshire Council has taken a positive approach to neighbourhood planning and provides support and advice to those communities interested in producing plans to complement the Core Strategy and provide detailed policies and site allocations for parishes. Neighbourhood Development Plans were included within the review of the Local Development Scheme in 2014.
- 3.3 At September 2018, there were 110 Neighbourhood Areas designated within the County. This coverage indicates that 91% of those settlements highlighted within the Core Strategy for proportionate growth are within a parish in the process of producing additional planning policy.
- 3.4 This level of interests highlights that 86% of all Herefordshire parish councils are currently engaged in producing local level policies with their communities. This included all of the market towns. It is envisaged that new applications to designate a neighbourhood area has now passed a peak.
- 3.5 The first Neighbourhood Development Plan in Herefordshire to be made/adopted was in May 2016. To date 43 Neighbourhood Development Plans have been made and a further 14 have reached examination. Figure 32 indicates the progress of Neighbourhood Development Plans as they move towards submission and adoption.
- 3.6 A map showing those parishes currently producing a neighbourhood development plan can be seen on the Council website at <https://www.herefordshire.gov.uk/planning-and-building-control/neighbourhood-planning/submitted-neighbourhood-areas-and-plans>. However Figure 33 below indicates the position as of October 2018.
