**Q2. Do you agree that this (Madley) could be a suitable site for up to 10 residential traveller pitches**

No

**Q2a. If no, please explain:**

Money has been spent on 3 previous sites which the Travellers have abused and trashed themselves. also, this particular site has a busy road used mainly by the numerous businesses in the area and has large commercial vehicles travelling this small country road. the extra traffic along the road will create even more problems. Due to the heavy traffic and size of the vehicles on this road it is not suitable for a community with small children running around.

**Q2b. If you have any further comments on this site, please specify**

Since the last Travellers left a colony of bats have moved in and legally, any structure where there are bats, is protected.

**Q3. 4. Do you have any other comments on the consultation that are not covered by these questions?**
