Q1b. If you have any further comments on this site, please specify

Q2. Do you agree that this (Madley) could be a suitable site for up to 10 residential traveller pitches

No

Q2a. If no, please explain:

Travellers have destroyed their previous facilities so to waste more tax payers money is not acceptable. Also a colony of bats now live on the property so it is illegal to remove these and away their home environment

Q2b. If you have any further comments on this site, please specify

GP surgery and schools are already at capacity and struggle to cope with current demands, previous occupants of the site consistently threw soiled nappies onto the roof of GelPack, 4. Adjacent woods were used for getting rid of human excrement posing a serious threat to the health for local people out walking in the woods, and to the wildlife.

Q3. 4. Do you have any other comments on the consultation that are not covered by these questions?
