Travellers' Sites Development Plan Document – Additional Sites Consultation

As you may be aware the Travellers Sites Development Plan is currently being examined by a government appointed Planning Inspector. Hearing sessions were held in May 2018 and following these the Inspector issued post hearing advice. In this advice the Inspector has required the Council to identify additional pitches in order for the plan to be found sound.

As a result the Council has identified two additional sites that provide potential to meet this additional requirement and we are now seeking your views on these sites.

The additional sites consultation concerns potential pitches at the addresses below:

- Land at Oakfield, Nash End Lane, Bosbury
- Land at Stoney Street, Madley

The consultation starts on Wednesday 24th October and closes at midnight on Wednesday 5 December 2018.

For more details about the sites and also the Sustainability Appraisal and Habitat Regulations Assessment go to the following webpage:
www.herefordshire.gov.uk/traveller-sites-consultation where you will find maps showing the location and details of how to respond.

Information can also be found online in libraries and information centres across the county during normal working hours for the duration of the consultation.
