Q1b. If you have any further comments on this site, please specify

Q2. Do you agree that this (Madley) could be a suitable site for up to 10 residential traveller pitches

No

Q2a. If no, please explain:

This site was previously used unsuccessfully for traveler pitches, its location on an industrial site is inappropriate and is not fit for this purpose.

Q2b. If you have any further comments on this site, please specify

This site should be used for its intended original purpose as industrial usage.

Q3. 4. Do you have any other comments on the consultation that are not covered by these questions?

The whole traveler site location should be revisited, as this suggestion seems to be no more than a convenient regurgitation of the previous unsuccessful use.
