Yes

Q1a. If no, please explain:

Q1b. If you have any further comments on this site, please specify

As I understand it, this is an existing site for Travellers. It would be preferable to slightly expand an existing site rather than open a new site.

Q2. Do you agree that this (Madley) could be a suitable site for up to 10 residential traveller pitches

No

Q2a. If no, please explain:

I am a resident of Kingstone village. In recent years, Kingstone has had more than its fair share of development, not least the new Lagan development that is currently underway in the village. This will deliver a further 150 homes! 500/600 more people? 200/300 more cars? The whole demographic of the village is under threat. Now the immediate area is ear marked for further development in the shape of this new Travellers site.

Q3. 4. Do you have any other comments on the consultation that are not covered by these questions?
