Can you please advise Susanna that both sites lie outside the Board's operational area and consequently our interests are not affected by the proposals.

Regards,

Les Harrison.

Travellers' Sites Development Plan Document – Additional Sites Consultation

As you may be aware the Travellers Sites Development Plan is currently being examined by a government appointed Planning Inspector. Hearing sessions were held in May 2018 and following these the Inspector issued post hearing advice. In this advice the Inspector has required the Council to identify additional pitches in order for the plan to be found sound.

As a result the Council has identified two additional sites that provide potential to meet this additional requirement and we are now seeking your views on these sites.

The additional sites consultation concerns potential pitches at the addresses below:

- Land at Oakfield, Nash End Lane, Bosbury
