Q2. Do you agree that this (Madley) could be a suitable site for up to 10 residential traveller pitches

No

Q2a. If no, please explain:

I have heard that there is a bat roost on this site. Bats European Protected Species listed on Schedule 2 of The Conservation of Species and Habitats Regulations 2017. This makes it illegal to injure, kill or disturb a bat or damage their roosting place (amongst others). Travellers at the site have previously exhibited anti-social behaviours which could definitely disturb the bats on site and would be a breach of wildlife legislation.
