Dear Tracy,

Herefordshire Travellers' Sites Development Plan Document – Main Modifications

Thank you for affording me the opportunity to provide comment on the proposed main modifications to the Herefordshire Travellers' Sites Development Plan Document (DPD), dated May 2019.

Highways England has been appointed by the Secretary of State for Transport as a strategic highway company under the provisions of the Infrastructure Act 2015 and is the highway authority, traffic authority and street authority for the Strategic Road Network (SRN) in England. It is our role to maintain the safe and efficient operation of the SRN. In Herefordshire, the SRN comprises the A40, A449 and A49 Trunk Roads, and the M50 Motorway.

We understand the main modifications propose the inclusion of the following new Travellers Site:

- Site TS8 - Land at Oakfield, Nash End Lane, Bosbury

Following our review of the site listed as part of the consultation, we determined that, due to its distance from the SRN, this site is unlikely to present material implications on the safe and efficient operation of the SRN.

Please do not hesitate to contact me if you require any further information or clarification.

Yours sincerely,

Priya Sansoy
