Minor Modifications

This schedule is an addendum to the previously published list of proposed minor modifications to the Core Strategy. Unlike the main modifications they do not relate to the soundness of the plan and are therefore not subject to consultation.

This schedule is published for information purposes only.

This schedule includes modifications that have arisen as a result of the Ministerial Guidance issued on the 25th March 2015, confirming that following the withdrawal of the Code for Sustainable Homes no reference should be made to it in Local Plans.

1. The suggested minor modifications are listed in the order they appear in the pre-submission version of the plan.
2. For each amendment, information on the proposed change and the reason for the change is given. Where new text is proposed it has been underlined. Where it is proposed to delete wording from policies or text this is shown as ~~crossed out~~.
3. Each minor modification has been given a reference number beginning 'E.' ; note the numbering in this schedule is continuous to that of the original schedule.
4. Some further minor modifications may be made by the Council as necessary before adoption of the Local Plan Core Strategy.
5. The main and minor modifications have been incorporated into a track change version of the Core Strategy for reference purposes

All the documentation is available at <https://www.herefordshire.gov.uk/posthearing> and in the County's libraries and customer service centres.
