Dear Sir, Madam,

Re: Herefordshire Local Plan Main Modifications Consultation

Thank you for consulting Historic England on the above consultation document. We have the following comment:

Proposed Main Modifications Addendum B

MM.067 Historic England would want to ensure that they were fully consulted on any potential site allocations for wind energy sites, as depending on their nature, location and scale, they can have an adverse impact for the historic environment which we would want to ensure had been appropriately assessed, in line with the NPPF.

Kind regards

Kezia Taylerson
