

EXAMINATION OF THE TARRINGTON NEIGHBOURHOOD DEVELOPMENT PLAN 2011-2031

To whom it may concern

On 4th March 2021 I issued a notice indicating that, owing to the need for an Appropriate Assessment to be undertaken under the provisions of the Conservation of Habitats and Species Regulations 2017 ('the Habitats Regulations'), the examination of the Tarrington NDP was suspended pending completion of the necessary additional work. That included the necessary further consultation with Natural England.

I have been informed by the Herefordshire Council that a revision of the Habitats Regulations Assessment is required which will also need to be consulted upon.

I am unable to receive any documentation which may be construed as evidence in this matter whilst the examination remains suspended. I am, therefore, re-opening the examination as of today's date specifically to allow for the formal submission of all material relevant to the additional work undertaken to meet the Habitats Regulations requirements and hence with the 'basic conditions' as defined in Schedule 4B of the Town and Country Planning Act 1990 (as amended).
