

Section 2: Herefordshire Local Plan Core Strategy policy monitoring

Core Strategy Policy	Principal Outcomes	Indicators of Achievement	Position at current monitoring period	
SS1	<i>Presumption in favour of sustainable development</i>	This policy will be monitored and implemented through the indicators used for the other Core Strategy policies that contribute towards sustainable development principles.		
SS2	<i>Housing provision</i>	Provision of 16,500 dwellings	Net total dwelling completions	Total net dwellings 2011-2021= 5370 See Appendix A
		Annual development rate	Net annual dwelling completions	Annual Net completions 2020 – 2021 = 643 See Appendix A
		5 years of deliverable housing land.	5 year housing land supply	6.9 years at April 2021 see Appendix B, Figure 9
		Distribution of development in accordance with policy	Proportion of housing completed within each area	See Appendix A and Appendix B
SS3	<i>Managing the release of housing land</i>	100 dwellings per annum windfall allowance	Amount of housing development on windfall sites and distribution	See Appendix B, Figure 5
SS4	<i>Movement and transportation</i>	Provision of Southern link and river crossing by 2022	Provision of facility	Decision taken in February 2021 to stop work on progressing the Southern link road and Hereford Bypass.
		ESG Link Road	Provision of facility	The road is now complete
		Sustainable Transport	Transport patronage by mode	Information provided as part of the Herefordshire Local Transport Plan Progress Report 2016-18 see Local Transport Plan Annual Progress Report 2016-2018

Core Strategy Policy		Principal Outcomes	Indicators of Achievement	Position at current monitoring period
SS5	<i>Employment provision</i>	Provision of 148 Ha of employment land	Amount and type of employment land available	New employment land delivered in the plan period so far 2011-2015 covers 21.35ha Planning permissions between 2015 and 2017 added a further 8.2ha. Between 2017 and 2021 almost 27ha of employment land proposals were completed. As of April 2021 some 7.8ha of employment land had planning permission. See Appendix E.
		37 hectares of deliverable employment land at all times	Deliverable employment land supply	
		Diversification of the business base	Accessibility to Broadband	
	<i>Environmental quality</i>	Conserve and enhance environmental assets	Phosphate levels within River Wye SAC and tributaries	Details of the monitoring of phosphate levels in the River Wye SAC are reported and published by the Nutrient Management Plan Board here .
Loss of designated conservation sites			Historic England Buildings at Risk List:	
No. of listed buildings at risk			24 Church Buildings; 6 Scheduled Ancient Monuments; 18 Archaeological Sites;	
Net change in condition of SSSIs			10 Listed Buildings; 2 Conservation Areas;	

Core Strategy Policy		Principal Outcomes	Indicators of Achievement	Position at current monitoring period
SS7	<i>Addressing climate change</i>	Conserve and enhance environmental assets	No. of renewable/decentralised energy schemes granted permission	Conservation Area Appraisals continue to remain unchanged; but a review of CA maps is currently underway See Herefordshire Council Carbon Management Plan here .
			Total CO2 emission per capita	
HD1	<i>Hereford</i>	Provision of 6,500 dwellings	Net total dwelling completions	2011- 2021= 1641
		Provision of employment development in accordance with policy	Amount and type of employment land available	Please see Appendix E, including detail of Completions and commitments at Hereford Enterprise Zone
HD2	<i>Hereford city centre</i>	Provision of 800 dwellings	Net total dwelling completions	Total net dwelling completions 2011-2021 = 372 (See details in Appendix A).
			Housing Densities at 50 or above	
		Conversion of upper floors to residential use	Provision of the principal outcomes of the policy will be monitored upon the delivery of the development. Main area of progress of implementation of this policy was the completion of the ESG Link Road.	
		35% affordable housing	Dwelling completions that are affordable	Construction complete on GP surgery and student accommodation.
		Link Road	Monitor timing of construction of road linked to housing provision	Progress continues regarding the development of a new University in the City Centre.
		Green infrastructure links	Quality and quantity of green infrastructure	
		Provision and location of retail uses	Quantity and quality of retail offer by location	
Car parking	Provision of facility			

Core Strategy Policy		Principal Outcomes	Indicators of Achievement	Position at current monitoring period
HD3		Canal Basin	Provision of facility	
		Increased provision of commercial, tourism, education, leisure, health, civic, police and fire facilities	Provision of facilities	
		Housing to meet needs of community including older people	House size, type and mix	
			Amount of older person housing provision	
		Public transport hub		
		Sports led development		
	Hereford movement	Relief Road	CPO Inquiry completed for southern link road.	Work to progress the Southern Link Road and Hereford Bypass has been halted. A new Hereford Transport Package is being developed.
			Monitor construction of the road	
			Congestion and journey times	
		Air quality		
	Sustainable Transport Package	Transport patronage by mode	Transport patronage- please see reporting on policy SS4	
		Park and Choose site provision		
HD4	Holmer West	Provision of 500 dwellings		Provision of the principal outcomes of the policy will be monitored upon the delivery of the development. Site is currently under construction. As of April 2021 there had been 221 completions on this site. See Appendix B for indication of progress.
		35% affordable housing		
		Park and Choose site		
		Increased provision of open space and recreation facilities		
		Green infrastructure provision		
		Community services provision		
HD5	Three Elms	Provision of 1000 dwellings		Provision of the principal outcomes of the policy will be monitored upon the delivery of the development. There is currently a valid
		35% affordable housing		
		10ha of employment land		

Core Strategy Policy		Principal Outcomes	Indicators of Achievement	Position at current monitoring period
HD6		Park and Choose site		planning application on the site, see details of progress in Appendix B.: <u>Planning application 162920</u>
		Increased provision of open space and recreation facilities		
HD6	<i>Lower Bullingham</i>	Green infrastructure provision		Provision of the principal outcomes of the policy will be monitored upon delivery of the development. See indication of progress in Appendix B
		Walking/cycling /bus links		
		Community services provision		
		Provision of 1000 dwellings		
		35% affordable housing		
		5 ha of employment land		
		Park and Choose site		
		Increased provision of open space and recreation facilities		
Green infrastructure provision including country park				
Community services provision				
Walking/cycling and bus links				
HD7	<i>Hereford employment</i>	Increased provision of employment land at Hereford Enterprise Zone	Net additional employment floor space by type	See Appendix E for progress on specific proposals on the Hereford Enterprise Zone.
BY1	<i>Development in Bromyard</i>	Provision of 500 dwellings	Net total dwelling completions	2011 – 2021 = 125

Core Strategy Policy		Principal Outcomes	Indicators of Achievement	Position at current monitoring period
BY2		5 ha of employment land and small scale employment	Amount and type of employment land available	Consideration of employment land provision to be undertaken through preparation of Local Plan update.
	<i>Land at Hardwick Bank</i>	Provision of 250 dwellings		Provision of the principal outcomes of the policy will be monitored upon delivery of the development. See details of progress in Appendix B.
		40% affordable housing		
		Formal park		
		Increased provision of open space and recreation facilities		
		Community services provision		
		Walking/cycling and bus links		
KG1	<i>Kington</i>	Provision of 200 dwellings	Net total dwelling completions	2011 – 2021 = 32
		Small scale employment provision and home-working	Net additional floor space by type	See Appendix E
LB1	<i>Development in Ledbury</i>	Provision of 800 dwellings	Net total dwelling completions	2011 – 2021 = 91
		15 ha of employment land and small scale employment	Amount and type of employment land available by location	See Appendix E

Core Strategy Policy		Principal Outcomes	Indicators of Achievement	Position at current monitoring period
LB2	<i>Land north of the Viaduct</i>	40% affordable housing		Provision of the principal outcomes of the policy will be monitored upon delivery of the development. Planning application approved on appeal for this site. See Appendix B for details of progress. <u>Planning permission 171532</u>
		Provision of 625 dwellings		
		Provision of 3ha of employment land		
		Informal park		
		Increased provision of open space and recreation facilities		
		Community services provision		
		Walking/cycling and bus links		
		Land and Contributions to restored canal		
LO1	<i>Development in Leominster</i>	Provision of 2300 dwellings	Net total dwelling completions	2011 – 2021 = 229
		10 ha of employment land and small scale employment	Amount and type of employment land available by location	See Appendix E Additional employment land to be developed in conjunction with LO2 which has not yet started.
LO2	<i>Leominster urban extension</i>	Provision of 1500 dwellings		Provision of the principal outcomes of the policy will be monitored upon the delivery of the development, no planning application has been submitted on this site.
		25% affordable housing		
		Southern link road by 2025		

Core Strategy Policy		Principal Outcomes	Indicators of Achievement	Position at current monitoring period
RW1		Community services provision including hub, school, retail		
		Walking/cycling and bus links		
	<i>Development in Ross-on-Wye</i>	Provision of 900 dwellings	Net total dwelling completions	2011 – 2021 = 466
		10 ha of existing employment land and small scale employment	Amount and type of employment land available by location	Land at Model Farm has planning permission but has not been started. Model Farm employment site not yet started. See Appendix E for other employment land. <u>Application 173600</u> planning permission granted 28 th February 2018.
RW2	<i>Land at Hildersley</i>	Provision of 200 dwellings		Planning permission granted but development is yet to begin for <u>application 150930</u> Further details of progress can be viewed in Appendix B
		40% affordable housing		
		Increased provision of open space and recreation facilities		
		Community services provision		
		Walking/cycling and bus links		
RA1 & RA2	<i>Rural areas</i>	Provision for 5300 dwellings in 7 rural areas HMA	Net total dwelling completions by HMA	Net dwellings in rural areas 2011 – 2021 = 2829 For breakdown by HMA see appendix A

Core Strategy Policy		Principal Outcomes	Indicators of Achievement	Position at current monitoring period
RA3 & RA4 & RA5	<i>Rural dwellings</i>	Allowing appropriate forms of housing development in accordance with policy	Number of rural buildings granted planning permission or prior approval for conversion to residential re-use	Units completed from rural buildings: 2011-12 = 32 2012-13 = 10 2013-14 = 25 2014-15 = 124 2015-16 = 28 2016-17 = 42 2017-18 = 89 2018-19 = 44 2019-20 = 39 2020-21 = 62
RA6	<i>Rural economy</i>	Supporting development which contributes to the wider rural economy including tourism development	Amount and type of employment permitted in rural areas	2015-17 = 1.52 ha See Appendix E for later data
H1	<i>Affordable housing</i>	Increased provision of affordable housing in accordance with policy	No. of affordable dwellings completed	See Appendix A
H2	<i>Rural exception sites</i>	Provision of rural exception housing schemes in appropriate locations	No. of rural exception affordable housing schemes completed by type and location	2014-15 = 36 2015-16 = 10 2016-17 = 0 2017-18 = 0 2018-19 = 0 2019-20 = 0 2020-21 = 0

Core Strategy Policy	Principal Outcomes	Indicators of Achievement	Position at current monitoring period
H3	<i>Ensuring a range and mix of housing types</i>	Provision of mix of housing sizes, types and tenure to meet identified local housing market needs	<p>% of dwellings on sites of 10+ by size and type</p> <p>Of those sites of 10 or more dwellings with planning permission in April 2021. 1 bedroom = 13% 2 bedroom = 40% 3 bedroom = 37% 4+ bedroom = 9%</p> <p>92.5% of dwellings on outstanding planning permission sites of 10 or more were houses or bungalows and 7.5% were flats.</p>
H4	<i>Travellers sites</i>	Provision of gypsy and traveller pitches /transit sites/travelling showperson plots to meet identified need	<p>No. and type of pitches/plots completed and available for use</p> <p>The Travellers Sites DPD was adopted in October 2019. In 2020-21 1 pitch was complete. As of April 2021 there were permissions for 5 units.</p>
SC1	<i>Social and community facilities</i>	Protection, retention or enhancement of existing community facilities	<p>N/A</p> <p>Not currently monitored</p>
OS1 & OS2 & OS3	<i>Sport, recreation and open space</i>	Protection and improvement of quantity, quality and accessibility of open space, and outdoor sports facilities	<p>Quantity of open space provided through new residential development</p> <p>Provision agreed on applications permitted using Core Strategy policies within the monitoring period – see Appendix C</p>
MT1	<i>Traffic management</i>		<p>See relevant information set out in the Herefordshire Local Transport Plan Progress Report 2016-18 here.</p>

Core Strategy Policy		Principal Outcomes	Indicators of Achievement	Position at current monitoring period
E1	<i>Employment provision</i>	Improved local economy through quality and range of employment available	Employment land available by location	Please see reporting on policy SS5 and Appendix E
			Employment floor space completions by location	
E2 & E3	<i>Redevelopment of employment land and homeworking</i>	Safeguard existing employment sites in accordance with policy	Amount of employment land lost to other uses	Data not yet available.
E4	<i>Tourism</i>	Increased provision of tourist accommodation/facilities in accordance with policy	No. of tourist accommodation schemes by type and location	Holiday home units permitted in 2020/21 = 36
E5 & E6	<i>Town centres</i>	New retail development and other key town centre uses concentrated within the town centres	Amount and % of completed retail and office space in the town centres and county	No major retail provision constructed in Herefordshire in 2020-21.
LD2	<i>Biodiversity and geodiversity</i>	Protecting and enhancing designated sites of international, national and local biodiversity and geological importance	Change in areas of biodiversity/geodiversity importance including sites of international, national, regional or sub-regional or local significance	Please refer to Natural England Designated Sites
			Number of nationally/locally important wildlife sites in the	Data available from Natural England at address above.

Core Strategy Policy		Principal Outcomes	Indicators of Achievement	Position at current monitoring period
			county reported as being in 'poor condition'	
			Proportion of local sites where positive conservation management has been or is being implemented	
			Net change in condition of SSSI's	
LD3	<i>Green infrastructure</i>	Protecting, enhancing and linking green infrastructure assets	Net gain/loss in types of open space provision	Provision agreed on applications permitted using Core Strategy policies within the monitoring period – see Appendix C
LD4	<i>Historic environment and heritage assets</i>	Protecting and enhancing buildings and features of acknowledged importance	Changes to number of conservation areas and conservation area appraisals	No new conservation areas designated or appraisals undertaken during reporting period. Please see reporting on policy SS6
SD1	<i>Sustainable design and energy efficiency</i>	Achieving development which is well designed, energy efficient and reinforces local distinctiveness	% of housing schemes accompanied by a Design & Access statement	100% of housing schemes are accompanied by a Design and Access statement
SD2	<i>Renewable and low carbon energy</i>	Increased provision of renewable and low carbon energy schemes	Number of renewable energy generation schemes by type	See Herefordshire Council Carbon Management Plan here .

Core Strategy Policy		Principal Outcomes	Indicators of Achievement	Position at current monitoring period
SD3	<i>Sustainable water management</i>	Avoidance of unnecessary flood risk by directing development to no or low flood risk areas in most cases	Number of planning permissions granted contrary to Environment Agency advice on flooding and water quality grounds	None
SD4	<i>Wastewater treatment and water quality</i>	Achieve water quality targets for the River Wye and River Lugg SACs	Monitoring of phosphate levels in the River Wye SAC and tributaries	Details of the monitoring of phosphate levels in the River Wye SAC will be reported and published by the Nutrient Management Plan (NMP) Board. The Monitoring Dashboard can be viewed here .
ID1	<i>Infrastructure Delivery</i>	The provision of new and/or enhanced infrastructure to support development	Monitoring of provision obtained through Section 106 agreements	Please see details set out in Appendix D
