# How your council tax is spent

## About the Council's budget

Herefordshire Council's budget is funded by a combination of Council Tax, local Business Rates, central government grants and charging for some council services.

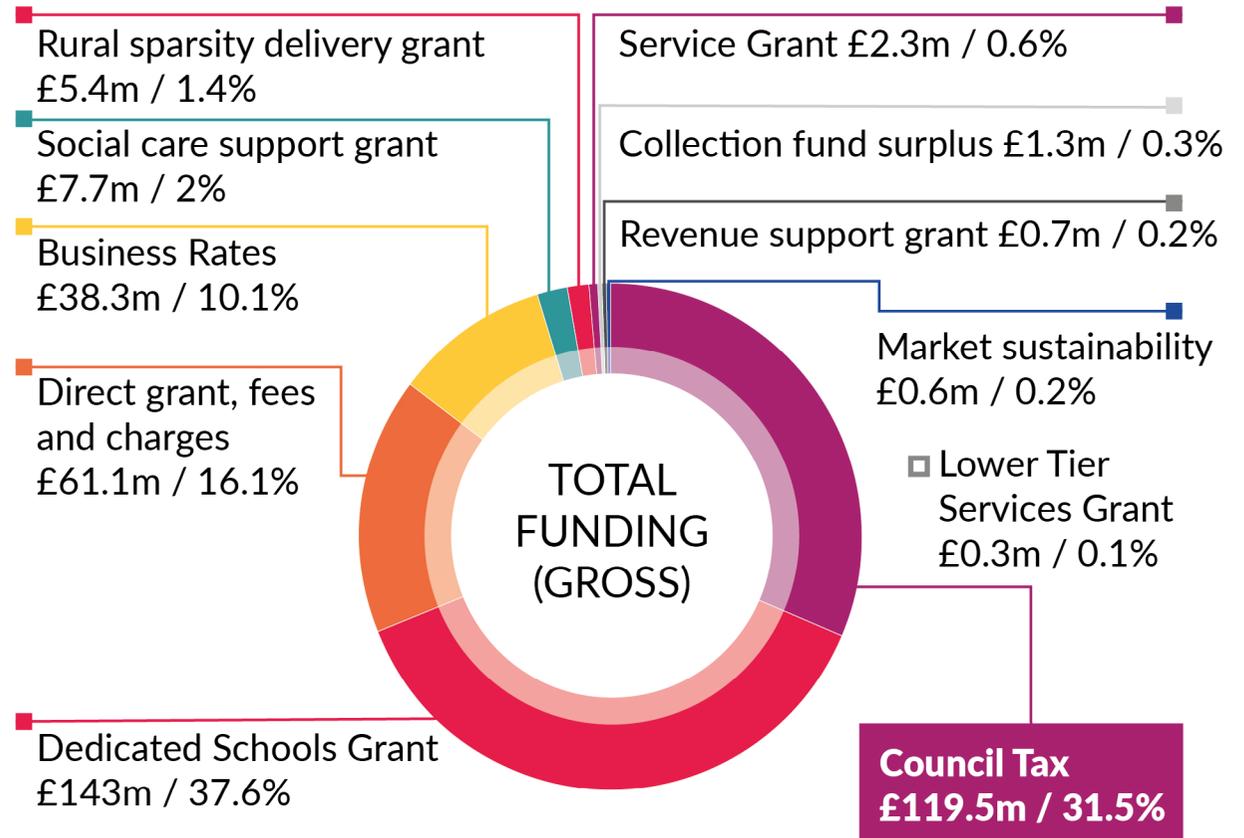

The budget is used to deliver services to more than 192,000 residents. Services we provide include:

- Adult social care
- Planning
- Waste collection and disposal
- Children and young people's services
- Highways maintenance and transportation
- Cultural and community services

### How we are funded

The Council Tax you pay makes a vital contribution towards funding the services we all use and investment in our communities.

## HOW WE ARE FUNDED

## How the budget is spent

We always look to use our resources wisely and ensure we deliver value for money, maintain service quality and support investment in priority services, to benefit Herefordshire residents and businesses.

### Capital investment

in 2022/23 the council has a capital budget of £102.7m

	22-23 £m	
 Transport and Place making	12.627	12%
 Highways maintenance	22.788	22%
 Environment and sustainability	2.556	2%
 Economic Development	20.777	20%
 Corporate & Digital	10.824	11%
 Schools & Corporate Property assets	15.708	15%
 Housing	17.431	17%
	<b>102.711</b>	<b>100%</b>

## Revenue investment

	£m	
Community and Wellbeing	62.5	36%
Children and Young People	41.3	23%
Economy and Environment	28.8	16%
Corporate	22.3	13%
Central	21.0	12%
Total	175.9	

In 2022/23 the council has a net revenue budget of £175.9m to invest in the community. This is the money we use to pay for your day to day services - such as educating children, caring for vulnerable people and recycling and waste.

## How Council Tax is calculated

In 2022/23 Council Tax payments will contribute £119.5million to the money we have to spend. As well as supporting council services, the Council Tax you pay also helps fund Hereford and Worcester Fire and Rescue Authority, West Mercia Police and Parish and Town Councils.

Each year the council has to set a balanced budget to continue to deliver core public services. Council Tax is set based on the difference between the amount of budget we need for the year and the income that we will receive from Business Rates, government grants and charging for some services.

To balance our budget in 2022/23 we need to increase Council Tax by 2.99% from April 2022.

The increase is made from 1.99% increase to 'core Council Tax' and 1% increase to the 'adult social care precept'.

Budget requirement	2022/23 Amount per band D equivalent properties £000s	% Change	2021/22 Total £000s
Herefordshire Council	1,701.70	2.99	1,652.30
Average parish council precepts	73.14	2.38	71.44
Police and Crime Commissioner for West Mercia	249.66	3.94	240.19
Hereford & Worcester Fire Authority	89.40	1.96	87.68
<b>Total</b>	<b>£2,113.90</b>		

## The Social Care precept explained

The government has given councils that provide adult social care the option to charge an additional precept on their Council Tax to assist in meeting expenditure on adult social care. It is a requirement that this precept is shown as a separate line on your Council Tax bill.

The Herefordshire Council element of your Council Tax bill includes a 1% increase specifically to help support the rising costs of adult social care.

## The amount of Council Tax you pay

The amount of Council Tax you pay will depend on the valuation of your property. Every home is allocated a Band based on its value, from Band A (lowest) to Band H (highest).

The amount will also depend on which parish council area you live in.

Full details are available at: [www.herefordshire.gov.uk/counciltax](http://www.herefordshire.gov.uk/counciltax)

## Parish council precept explained

Parish and town councils are funded by a part of the Council Tax known as the parish precept.

Each year parish and town councils forecast how much money they are going to need the following year and this is collected on their behalf via Council Tax.

The actual amount you need to pay will be dependent on the spending by your town or parish council, the properties within your parish and the valuation band your home is in.
