### **Non-profit Making Organisations**

If your organisation is a registered charity and the property is used for charitable purposes, there is a mandatory entitlement to 80% relief. Herefordshire Council has the power to top this up with up to 20% discretionary relief. Non-profit making organisations are only eligible for discretionary relief which the council can grant up to 100%. The amount of discretionary relief may be reviewed annually and non-profit making organisations are encouraged to apply for charitable status. This would give an entitlement to 80% mandatory relief and your organisation would be less reliant on the discretionary element. You can get more information on how to apply from the Charities Commission website at <a href="https://www.charity-commission.gov.uk">www.charity-commission.gov.uk</a>, or telephone them on 0870 3330123.
