Dear Mr Howells,

Pembridge Parish Council considered the Draft Herefordshire Local Transport Plan 2016-31 at their recent meeting in January and would like the following comments to be considered.

- Little consideration has been included in the plan for the traffic issues in the north west Herefordshire villages.
- Pembridge has continued to lobby the Council for safer pavements in the village which should be supported.
- Consideration should be made to the historic nature of Pembridge and the damage being caused by the use of constant heavy freight vehicles using the A44 and a solution provided to help protect it.

Many thanks.

Kind Regards,

Rebecca Bissell.
