### ***V-NCL-RSS-01 Ready Steady School (Marlbrook Primary)***

Join us on this 5 week course as we work through a series of sessions aimed at giving you the confidence to support your preschooler and help get them ready for school. The sessions aims are to support parents and carers and give them a better understanding of what is expected of their child when they get to school and give them ways to support their child to develop these skills. There will be plenty of games, crafts, stories and singing all aimed at giving your child valuable skills to ease their way into the classroom.

This short practical course consists of five different activity sessions for families and children which aims to promote bonding and parent/carer - child relationships, as well as helping parents support their child in gaining the skills needed to ease them into the classroom environment. Parents/carers will be encouraged to support their children listening to stories, retelling them, creating crafts to improve coordination and fine motor skills. Throughout we will be introducing core skills in Maths and English, through games and fun activities. The course is delivered in small groups, in a family friendly and nonthreatening manner, within a community setting, that encourages learners to take part in reading, playing and carrying out craft activities with their child and helping them understand the skills their child needs to develop to get the most from their time at school.

## V-TCS-GWW-01 Green Woodworking and Wellbeing

This course will be delivered at TCS woodland site where participants will be guided and supported in learning some basic woodland and green woodworking skills or to develop previous learnt skills further. They will also be supported in learning to understand their own wellbeing, whilst developing tools and strategies for managing their health and wellbeing.

It is a tailored programme of learning, not a formal qualification and is intended to help those furthest from learning or the workplace; learners with a disability or learning difficulty including mental ill health; those who are in sheltered living or at risk of homelessness and refugees.

Returning learners will have the opportunity to work with tutors to design an appropriate individual programme to support ongoing progression.
