Kingsland	Bircher	242414	Works to Trees in a Conservation Area	17/09/2024	Fairfield Cottage, Kingsland, Leominster, Herefordshire, HR6 9QT	Consent was given on 2 July 2024 (Application: 241416) to reduce;the height of two trees within our garden. Upon return to assess fully;the works needed, the tree surgeon has advised that the Wild Cherry;(Number 2 on the sketch plan) has deteriorated over the past months -;there is a conjoined stem and branches have thinned considerably. As;the tree is very close (approx. 8 feet) to the garage he feels it is a;danger to that building. It is his opinion that removal would be the;best option. I would like, therefore, to apply to change from height;reduction of the Wild Cherry to removal. The Japanese Maple will be;reduced as per the original application.
