Deposit of Maps/Statement, indicating Ways (1932 Act)  
Highways Act 1980, s31 (6)

Dear Sir.

Please find the attached plan indicating the only ways dedicated as highways, Public Cartroad shown in Orange, and Public Footpaths shown in Green, over the Lands at Newton Lodge, Welsh Newton, outlined in Blue, to which we hold the Title at this present time.

We would indicate, that while the line/route of the cartroad differs to the depiction on the first OS map, this is the approximate line which has been used as long as we can remember, and is Gated at the eastern end marked X on the plan, and acknowledgement of this Deposit, is required.

Yours faithfully

Signed. /

D E Morgan, 192 Holme Lacy Road, Hereford.
