

Herefordshire Core Strategy Examination

Inspector Note 1

Topic: **pre-hearing meeting.**

It is not my normal practice with local plan examinations to have a pre-hearing meeting. I will be producing my list of Matters and Issues in the near future, together with guidance notes for all parties on the production of statements, presentation and general information about the running of the sessions. Having consulted with the Council I have decided that a pre-hearing meeting will not be necessary for the Herefordshire Core Strategy examination.

Christine Thorby
Inspector
